The World Peace Cards hold the vibration of the World Peace Grids (produced by William Lee Rand) which have been placed at spiritually significant locations around the world and are relay stations for higher consciousness. The Peace Grids have been designed to hold Reiki energy and to send it into the world to help others. By connecting to their energy, you'll become a channel for their love and peace which will flow through you to all the people on Earth. By taking part in this group meditation, you'll be joining thousands of people around the world who will be using the cards to bring peace to the world. By joining together, the affect will be greatly multiplied. This powerful experience will help shift the vibration of our planet into a higher state of consciousness. As you use the cards to meditate on world peace, you will be a beacon through which peace will spread around the planet which will have a positive uplifting effect on all people.

The World peace card group meditations have been scheduled once a month at 7:30pm, local time in your time zone. This method has been chosen because of the special effect it produces. As people meditate in each successive time zone the energy builds like a wave which gets stronger and stronger as it circles the planet. Because of the higher dimensional nature of consciousness, the energy of peace will be transmitted for a full 24 hours and continue long after this.

To do the meditation, please set aside approximately 15 minutes to meditate with the cards and allow yourself to be a beacon of peace. Simply, hold the cards in your hands (or in front of you) and meditate on peace. If you have been attuned to Reiki, you may also send distant Reiki to the peace grids which will further charge them for world peace. As you send healing, you'll be merging with this reservoir and receive peaceful energy too.

*The World Peace Crystal Grids are made of solid copper in the shape of the heart chakra, 12 inches in diameter and plated with 24 carat gold. A 12 sided quartz pyramid is at the center under which are inscribed the Usui power symbol and the Karuna peace symbol. Double terminated quartz crystals are on each petal. The pictures on the cards embody the energies of the grids and can be used to send distant Reiki to them to create peace in the world. The pictures also create peace within the environment that they are located in and create peace and healing within you when you meditate with them. The inscription on the grids says: **"May the followers of all religions and spiritual paths work together to create peace among all the people of earth."***
